

ATOM SHAALE - STUDENT REGISTRATION & ASSESSMENT USER GUIDE

www.atomshaale.com

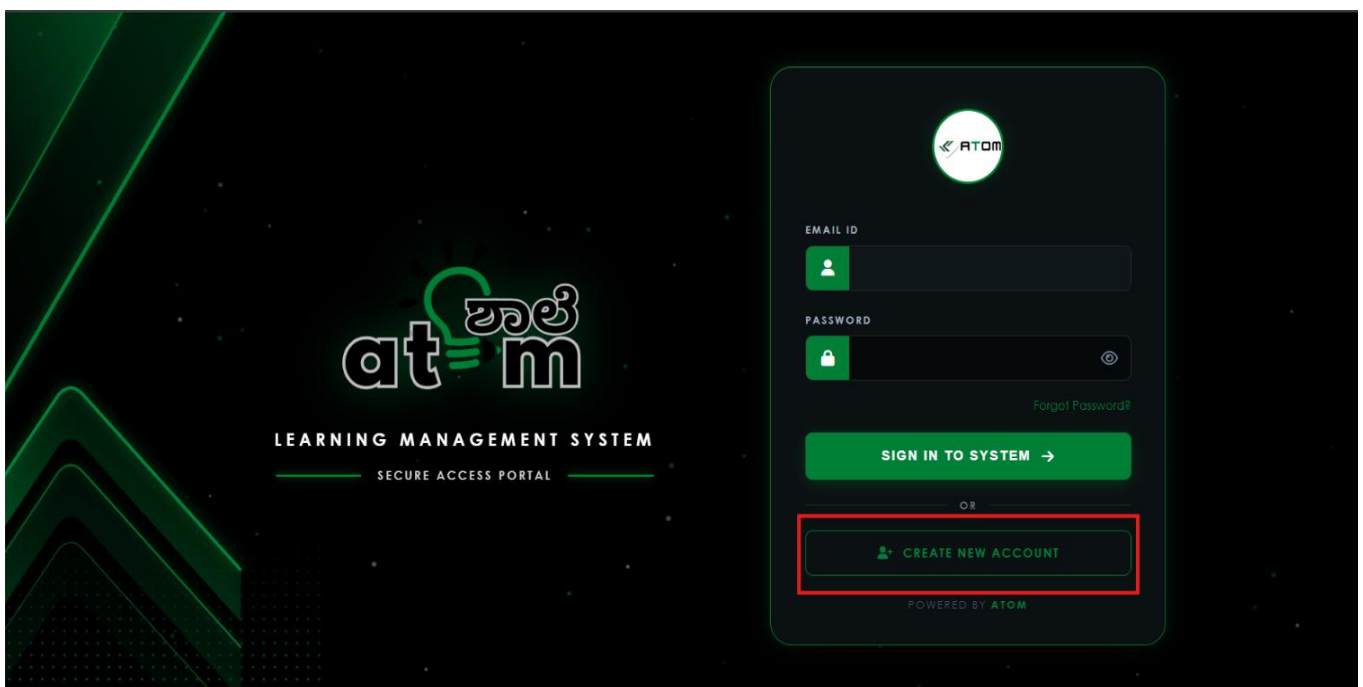

STEP 1: OPEN ATOM SHAALE

Visit the ATOM Shaale website and click the Login button.

STEP 2: LOGIN PAGE

On the login page, click 'Create New Account' if you are a new student.

STEP 3: CREATE A NEW ACCOUNT

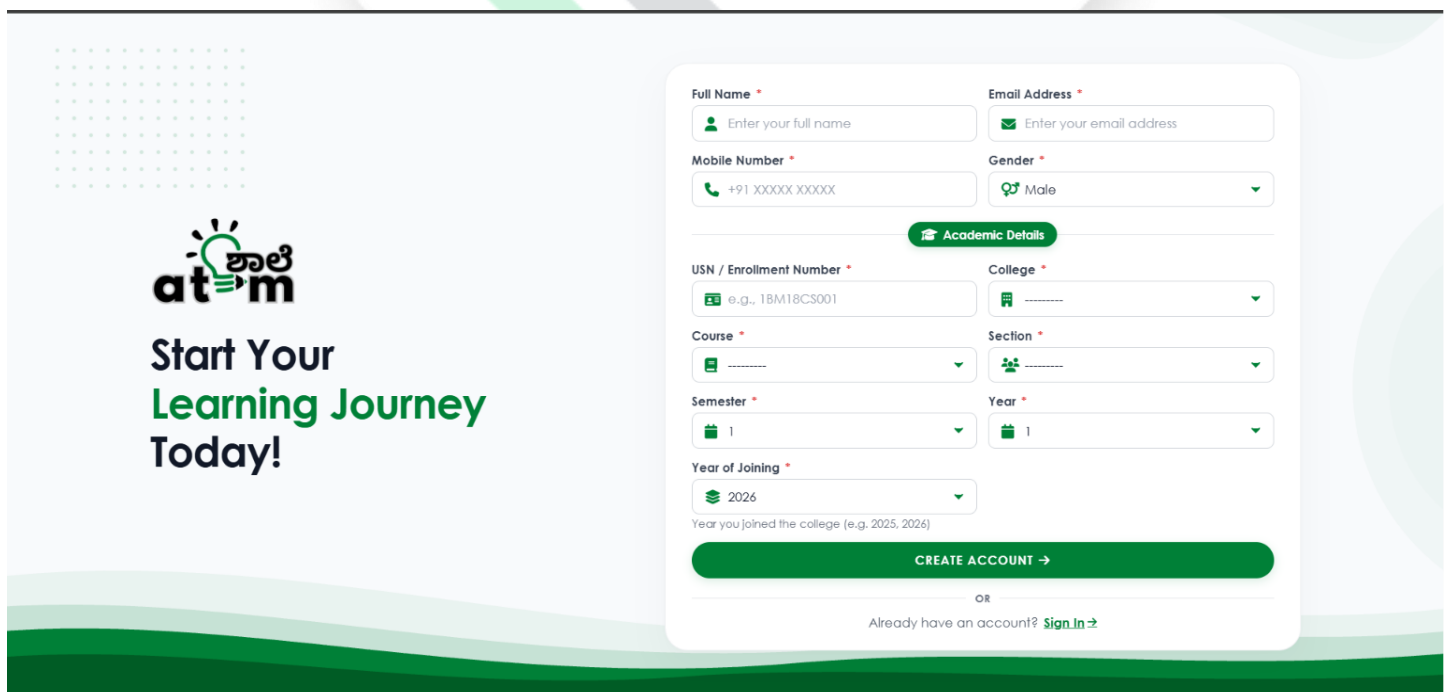

Fill in all the required personal and academic details carefully and accurately.

Before clicking "Create Account", ensure that you have entered:

- Your Full Name (as per college records)
- A valid Email Address and Mobile Number
- Your USN / Register Number / Roll Number
- The correct College from the list
- The correct Course/Program
- Your Current Year and Current Semester
- Your Section
- The Year of Joining (the year you were admitted to the college)

Important: All the information entered must exactly match your college records. Incorrect details may delay or prevent your account verification and access to assessments.

Finally, click "Create Account" to complete the registration request.

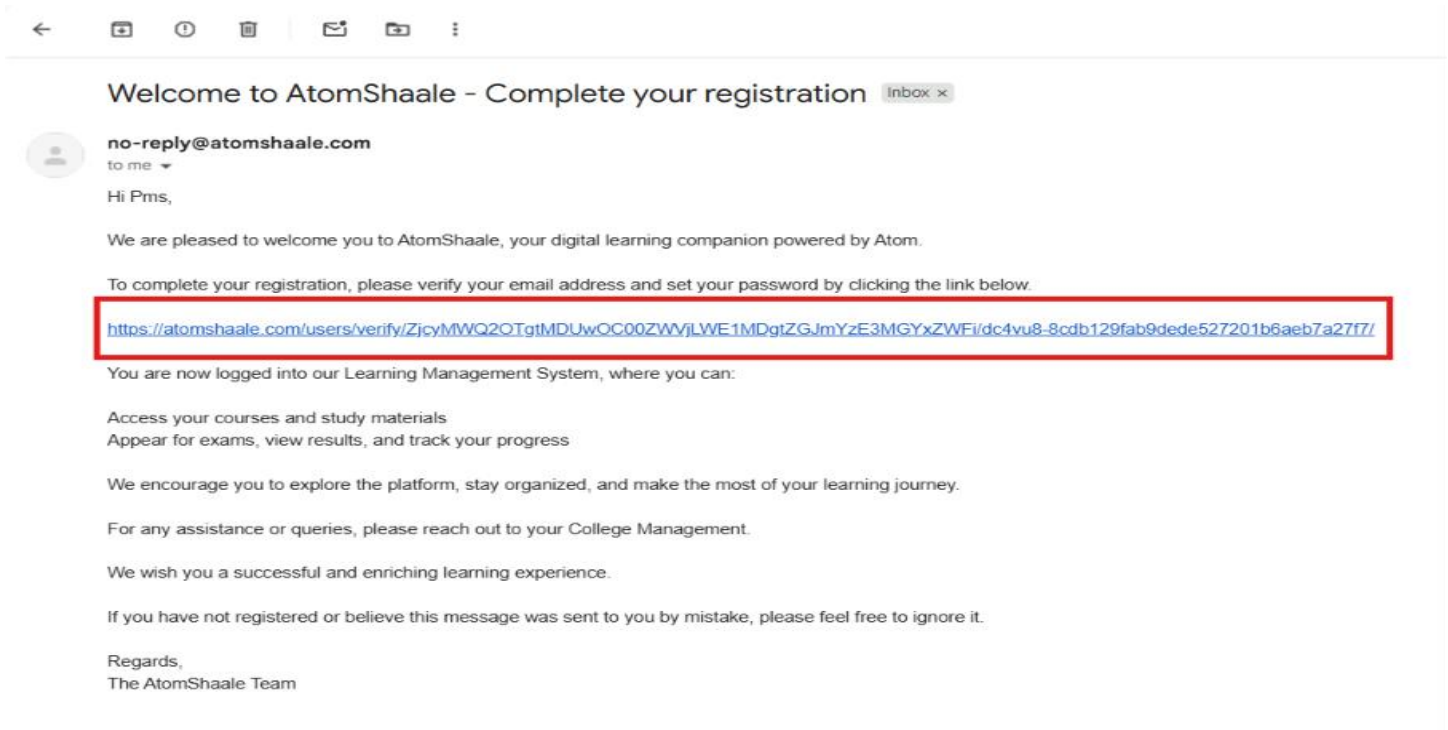

The screenshot shows the ATOM account creation interface. On the left, there is a logo with a lightbulb and the text "atm" and "Start Your Learning Journey Today!". The main form is titled "Academic Details" and contains the following fields:
